

This area will need to be removed after printing.

No printing from this point to top.

4x9.75 Door Hanger

Place this template in a separate layer in your layout program and delete or turn off before sending/exporting your file.

To use this template for the inside, flip it horizontally.

Bleed

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (red) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

Margin

For best results keep text and images that must be seen and read between a minimum of 1/8" and 1/4" from edge of page.

215 NW 16th Street
Pompano Beach, FL 33060
