Copy margins

We recommend keeping copy 1/8" in from fold lines in most cases.

Margin

For best results keep text and images that must be seen and read between a minimum of 1/8" and 1/4" from edge of page.

Bleed

For borderless edges, extend images, photos and/or solid background colors 1/8" beyond the edge of the page. This area (red) will be trimmed during the finishing process. It should not contain any information you intend to be seen or read.

Trim

Edge of page.
